●Rehearsal Room / Practice Rooms (B1F)  
The rehearsal room and the four practice rooms of varying sizes are ideal places to practice music, rehearse a theatrical performance, etc.

After passing through the entrance lined in natural stone, one can behold a magnificent theatrical space having a main stage area of 404 m<sup>2</sup>. The possumum-style hall is an optimal venue for performing arts events such as concerts, plays, traditional art performances, musicals, ballet, etc. as well as lectures, academic conferences, etc. The audience seating is arranged in curved lines and such a structure gives excellent views of the stage and excellent acoustics. The hall has also been equipped with an orchestra pit. It has a maximum seating capacity of 1,209 (of which five are spaces for wheelchairs).

Located on the top floors of GRANSHIP and having a two-level stairwell, the Conference Hall has been fitted with all the equipment required in a full-scale international conference hall, including simultaneous interpreting booths for six languages and the services. It can be used as the main hall for academic conferences and forums at which large and small meetings are required for meetings or lectures. Furthermore, if the sliding walls on the east side of the Conference Hall are opened up, visitors can enjoy a view of Mt. Fuji.

The Main Hall has a floor area of 1,720 m<sup>2</sup> and a ceiling height of about 8 meters. The seating, the stage setting, etc. can be freely arranged and this makes the Hall suitable for a variety of events. Moreover, the Hall can be integrated into GRANSHIP Square to create a more open space by opening the big doors. It can accommodate all types of events regardless of purpose and style, including conventions, trade fairs, entertainment shows, sporting events, etc.
