**Nationally rare
Complex Facility**

Offers
convenience of
10 minutes walk
from JR Himeji
Station

Color tone in the motif of stonewalls and white walls based on the image of World Heritage Site Himeji Castle's syntagmatic keep

Produces open and dynamic space with the west side of the center made the main entrance

Promotes roof greening and night time illumination with a view from bullet trains and JR trains taken into account

1F 1F Outdoor Exhibition Space (Nigiwai Square)

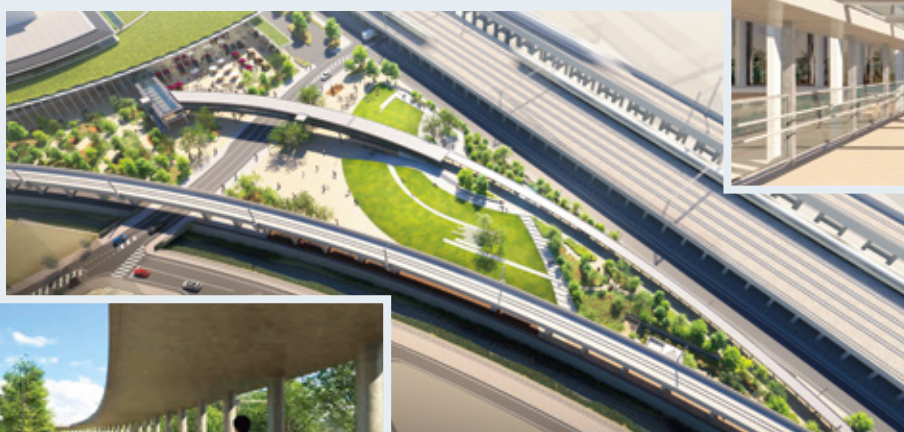

With half of the square of 1,600 square meters roofed, we support outdoor use for what the indoor exhibition hall alone cannot cover. Large-scale combined use of both spaces is possible as well.

Before café

Neighborhood Facility Casty 21 Park / Accessway

2F Main Entrance

Roofed Accessway

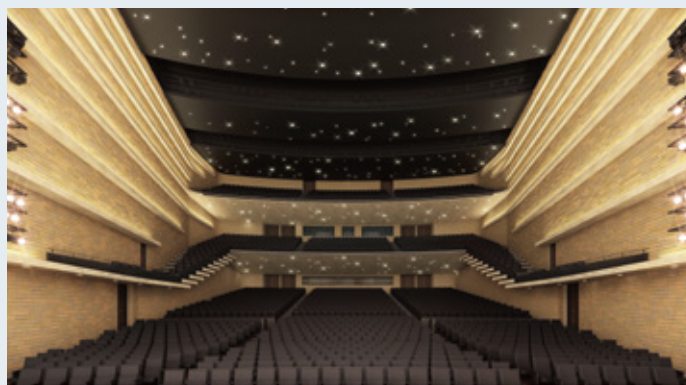

Casty 21 Park, located at the west of the Center, creates greening and pleasant space in an urban area. The roofed accessway from Himeji Station, which leads to the main entrance on the second floor of the Center via the park, is a safe, pleasant, and attractive space for pedestrians.

Large Hall

First-ever large hall in the Harima area, with a capacity of 2,000 seats. Suited to events from various genres including domestic and overseas artists' concerts, performing arts as well as lectures, and panel discussions as a culture art center in Harima.

Three-layer balcony audience seats create a feeling of immediacy, making you feel close to the stage. Features universal design, equipped with wheelchair seats and a multipurpose viewing room.

Large Hall Audience Seats

Large Hall Foyer

Medium Hall

Easy-to-use and audience-friendly hall with 700 audience seats spreading out in a fan-like form. Suited to events from various genres including plays, music concerts such as chamber music and pops as well as ceremonies and lectures. Features universal design in addition to having high acoustic performance, equipped with wheelchair seats and a multipurpose viewing room.

Small Hall

Casual and audience-friendly hall with tiers of 180 seats. Suited to small concerts and private and group events. Equipped with wheelchair seats and a multipurpose viewing room.

4F Conference Rooms

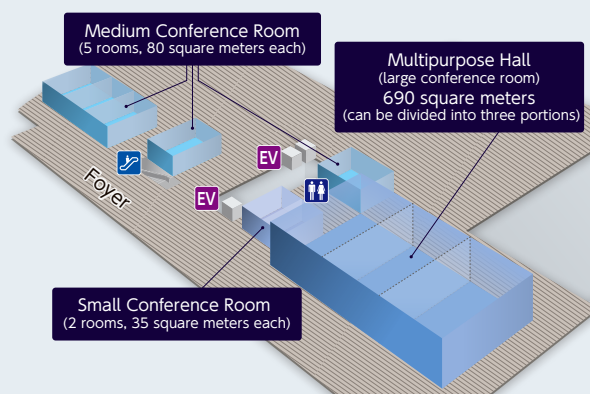

Multipurpose Hall

10 conference rooms (large, medium, and small ones) are arranged on a single floor. Available in various sizes and for various purposes of use by effectively using movable partitions. A multipurpose hall of 690 square meters (combined use of 3 large conference rooms) boasts a capacity of about 710 people in theater style and about 440 people in school style, suited to reception parties and poster sessions as well as available as a conference room. You can have a view of open roof greening from the hall and the lobby.

Reception Party in Multipurpose Hall

1F Exhibition Hall

The large and pillar-free space of 4,000 square meters and 9 meters in effective height can be divided into 3 portions, available flexibly according to event size. The open and highly-free space is suited to a variety of events, ranging from exhibitions, fairs to large ceremonies, conventions, event shows, and reception parties. With a heavy truck's direct access to the site possible, baggage and machinery can be taken in and out smoothly.

Exhibition

Fashion Show
